VOLUNTEER COLLECTORS COMB CITY FOR SCRAP

Amount Exceeds All Expectations

"Getting into the scrap" in earnest, Sunday, volunteer salvage collectors of this community picked up 72,740 pounds of steel and iron scrap in the southern district of the community in an all day workout. Daly City's part in collecting all possible scrap metal for America's war industry soared to 68 tons this week. A collection in northern Daly City on the previous, Sunday, netted over 30 tons.

A total of eight truckloads left Daly City, Sunday, for a San Francisco junk yard, an authorized salvage depot. Three trucks were on the job all day long loading up scrap from the curbs in front of south-end homes, and when the day's work was done, there was still a large part of the district not yet covered.

Unlike the house to house, or rather, "curb to curb" canvass on the preceding week in the Crocker tract, Sunday's trip over the south-end covered a much larger area, and not all could be covered. R. L. Crane jr., local salvage chairman, announced, Tuesday, that all homes that weren't reached Sunday would be called on by the city trucks this week, and the curbs would be cleared of scrap. Like the other truckloads, the city trucks will take this scrap to the salvage depot, later to be converted into tons of trouble for the Japs.

In addition to the two city trucks, the third truck used in the Sunday scrap drive belongs to A. Milano, local contractor, who volunteered the service of the truck to Daly City's campaign.

Volunteer workers who donned their old clothes and heaved the heavy pieces of scrap steel and iron were members of the Daly City Post No. 410, American Legion; Old Glory Post No. 2044, Veterans of Foreign Wars; and male members of the faculty of Jefferson Union high school. May-

Capacity Crowd Hears Fred Houser

A capacity crowd attended a joint luncheon meeting of the Daly City-Colma Lions club and the South San Francisco Lions club, yesterday, at Oliver's restaurant in South San Francisco where they heard an address by Fred Houser, candidate for lieutenant governor of California.

The meeting was well attended by the local Lions club who were guests of the South San Francisco organization. Local members met at Bill's Garage, 6806 Mission street, and made the trip to South City.

Houser was main speaker of the day at the luncheon, making a very interesting address to the Lion

Festival Dinner Menu Features Enchiladas

Delicious enchiladas served by the Mothers club are on the menu for the Friday and Saturday dinners at the three day annual Fall Festival of Our Lady of Perpetual Help church. The festival will be held at Smith Lumber yard, 2 Hillside boulevard Friday, Saturday, and Sunday, October 30, 31, and November 1.

Following the dinners on the first two nights, a good old fashioned American dish will be served on Sunday night. You guessed it—corned beef! All dinners are prepared and served by the Mothers club of the parish.

Games and amusements of all kinds, including old, well known games and something new and unique, will be part of the fun during the three day bazaar. The large committee planning for the event hasn't missed a trick, and fun will be in full force.

Booths will be built in the building of the lumber yard and

Thrilling News For Italian Aliens

All Italian aliens in Daly City and Colma became officially exempt from the curfew and travel restrictions for enemy aliens, Monday, by a national order. They no longer are required to be in their homes between the hours of 8 p. m. and 6 a. m.; nor are they held to a limit of travel within five miles of their homes.

This release of Italian aliens became effective following the issuance of Public Proclamation No. 13 by Lieutenant General John L. DeWitt, commanding general, Western Defense Command and Fourth Army.

Police Chief James G. Reardon, of the Daly City Police department, informed all Italian aliens of this community that they, obviously, will not be required to apply for alien permits to travel. Chief Reardon was recently named alien permit officer for this area. On special application, those enemy aliens who are held to curfew and travel restrictions may leave the 5 mile area only if Chief

Board Designates Where To Buy Boots

After the freezing of the manufacture and sale of rubber boots and workmen's shoes, October 1, and the subsequent rationing of these types of footwear, the War Price and Rationing Board named four stores in Daly City and Colma where they can be purchased.

Any local workman who wishes to buy work shoes or rubber boots must apply to the War Price and Rationing Board, 473 Grand avenue, South San Francisco and get

Auxiliary Police To Aid With Patrol

At least two auxiliary police officers in each of the eight police districts will be on dimout patrol duty nightly on all highways within Daly City, Police Chief James G. Reardon announced, yesterday, in re-organizing the police division of the Civilian Defense Corps.

These officers will begin duty at 7:30 p. m. each night and will continue to patrol until as late as the traffic in their district is thinned out enough to go off duty. They will divide the time up with other volunteer officers in their district to relieve the burden from any one volunteer.

All auxiliary police officers in Daly City will be directly responsible to the regular police officer in their district, Chief Reardon said. Any incident which happens in the district will be reported to the regular officer, and only regular officers are allowed to make out official reports for the Daly City Police department. No plans have yet been formulated for the continuance of basic training among auxiliary officers.

"Right now we are primarily interested in seeing that this dimout situation is taken care of," Chief Reardon said.

"We are going to see to it that motorists dimout their lights properly at nights, make sure that the speed is reduced, and enforce all laws pertaining to the dimout."

Main highways through Daly City which will be patrolled by the Civilian Defense Council's law enforcing body are Mission street, one block of San Jose avenue, Hillside boulevard, and Junipero Serra boulevard.

Sergeant William Bolger is the regular officer in charge of a portion of Mission street, and other

Elaborate Events For Parish Benefit

Elaborate entertainment, a huge bazaar, and amusements will be the outstanding features of this year's fall festival, given annually for the benefit of the Holy Angels' church, Colma, in Colombo hall, Saturday, October 24, starting at 8 p. m.

The evening's program will get under way with the audience and

GAGGERO

a chorus of children joining together to sing the national anthem, "The Star Spangled Banner".

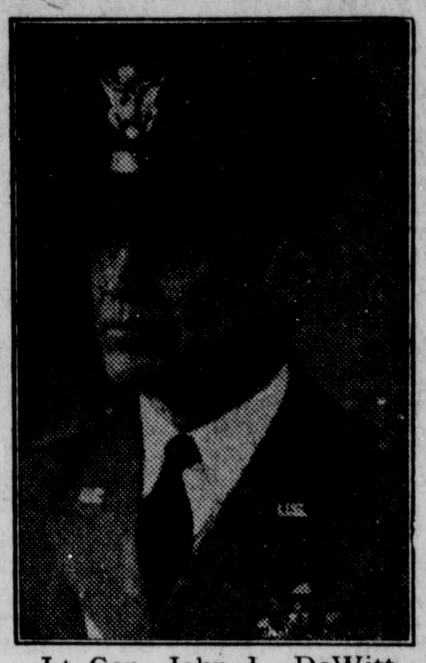
Two one-act plays will be presented by the Dramatic club, under the direction of Mary Belli. Other musical numbers will include songs to be sung by Irene Baciocco, Lawrence Varni, and A. Caserza.

After the entertainment, there will be auctions of many prizes, popular games, and dancing. A three piece orchestra will provide music for the dancers. Refreshments will be served.

At 11:30 p. m. the drawing for the prizes and awards will be held. Tony Gaggero, mayor of Daly City, will act as the master of ceremonies. The public is cordially invited to attend.

The Married Ladies Sodality will have charge of the fancy booth. The cake booth will be under the direction of the Young Ladies Institute, Emydian Branch. The Young Ladies Sodality will have charge of the fish pond. A committee of men will supervise the refreshments, games, and dance.

DIMOUT RESTRICTIONS GO INTO EFFECT SUNDAY



Lt.-Gen. John L. DeWitt

Warning that the new Pacific Coast dimout regulations will go into effect at 12:01 a. m. Sunday, October 25, was issued today by Lieutenant General J. L. DeWitt, commanding, Western Defense Command and Fourth Army.

The new regulations which tighten the rules for the control of lighting in all areas of the Zone of Restricted Lighting, whether or not visible from the sea, are covered by Public Proclamation No. 12, issued October 10, and effective October 25. This Proclamation amends Proclamation No. 10, issued August 5, 1942, under which the dim-out has been operative since its effective date of August 20.

Jeff High Sets Up Raid Defense System

Final plans were completed, this week, which will provide for an effective air raid student defense system for Jefferson Union high school. The set up will be composed entirely of students, with supervision by the faculty.

The air raid precaution system will consist of the following various squads or centers which soon will be put into actual operation: the control center, at the office; first aid squads, under the supervision of the physical education department; police squad, which will be the sergeant-at-arms committee; rescue squad, to be supervised by Truman Bentley, shop instructor; fire squad, directed by Stanley Martin, industrial arts instructor; messengers, one for each room during each period of the day, and office messengers in the control center; room captains, one in each room during each period of the day.

Every instructor will select a room captain and an alternate for each class period, whose duties will be to lead the class to the proper place when the air raid signal is sounded, and to assist in maintaining order during the air raid danger time.

Also every instructor will select

All Daly City Must Comply

With the new dimout restrictions here slated to go into effect Sunday, Arthur J. Bodien, chief dimout officer, cautioned all residents and business proprietors in Daly City to be especially careful that all lighting is either extinguished or shielded properly.

Elimination of sky glare is the chief purpose of Public Proclamation No. 12 of the Western Defense Command which places more rigid restrictions on the use of lighting in the designated zone, Daly City, by virtue of its geographical location is one of the most affected cities on the Pacific coast in regard to dimming out lights.

Of those living in Daly City homes, the proclamation demands that "no lighting shall be permitted behind windows or glazed doors visible from the sea unless they are covered by drapes and shades". In applying this provision, Bodien declared that this whole area is generally visible from the sea, meaning that all windows should be shaded if lights must be on. He added that all lights in the house that are not in use should be extinguished altogether.

Special atention will be given in Daly City by the police department and civilian defense agency in seeing that skylights in Daly City homes do not reflect light, Bodien added.

"Either black out your skylight or shield it so that no light can be seen from above. All windows in the house should be shaded below the level of the bottom of the light," he said.

In addition to neon signs and display lighting being extinguished, the new restrictions make it nec-

That's Right -- Gas Rationing Is Here!

All automobile owners in Daly City may obtain applications for gasoline rationing at the War Price and Rationing board, 473 Grand avenue, South San Francisco, the Daly City branch post office, 6251 Mission street, or certain designated service stations, from Tuesday on, it was announced, yesterday, by the rationing board. Service stations will be designated later this week.

Applicants are instructed to take these applications home, fill them out carefully and legibly and hold them until registration is held, Monday, Tuesday, and Wednesday, November 9, 10, and 11 at the public schools.

The school in Daly City where the signup will take place has not yet been named, since the board began, yesterday, to contact probable registration places in all communities of the district. In some

Jeff Opens P. A. L. Play With Victory Over Highly Touted Burlingame Eleven

Opening PAL league play with a sparkling 7 to 0 victory on the Burlingame gridiron, Friday ,Jefferson Union high school launched a combination ground and aerial attack to defeat a highly touted Burlingame high eleven for the first time in the history of the two schools.

The defeat meant worse than that to loyal followers of Burlingame, as it was also the first home game in the league that the Panthers lost since 1938.

A 35 yard pass off the southpaw arm of Bill Freeman to "Hank" Steele accounted for the Jefferson score in the third period and spelled victory for the fiery tribe of Indians from Daly City. The touchdown play was a reverse forward pas in which Burlingame got a taste of the clever coaching of Glenn South, new coach at Jefferson. This play of South's caught

Control Center To Practice Tonight

In prepartion for the national OCD drill for all civilian defense agencies, the control center of the Daly City Civilian Defense Council will hold a practice session tonight at 8 p. m. in headquarters at the city hall. The practice tonight is limited to the control board personnel.

However, the air raid drill, to be held a week from tonight, will be for all civilian defense volunteers of this community, and it will be viewed by high officials of the army and the national Office of Civilian Defense, Arthur J. Bodien, local director, announced. The drill was ordered by the OCD to enable army officers to get an idea on how America's civilian defense efforts are progressing. All defense councils in California

"City Fathers" Set Out To Tame Lions With Bowling Pins (And Nerve)

With a vow to "tame the Lions" in the popular American sport of "setting 'em up and knocking 'em down", the city councilmen of Daly City are grooming desperately for the crucial bowling series at the Sport Center, 3333 Mission street, in San Francisco, tomorrow night, when they meet the Daly City-Colma Lions Club.

Boasting a skilled array of high scoring keglers, the city fathers issued a pointed challenge to the Lions for a bowling series—one that the Lions courageously accepted. The meet is scheduled to get under way at 8:30 p. m.

Jack Fahey, who bowled last season with the Lions, will lead off for the city fathers. An experienced kegler, Fahey is predicted by experts to bowl a 535 series.

Mayor Tony Gaggero, another starter for the council, is formidable enough, having rolled some snappy games at Boyes Springs during fall training.

Gene Lynch, spokesman in issuing the challenge to the Lions club, has been training hard for the contest. Both he and Gaggero have been conditioning by means of the local scrap metal drive.

Ed Cavagnaro, bowling for the city fathers, is certainly no stran-

Blood Bank Still Needs More Donors

The San Mateo County Blood Bank, in its attempt to store 1000 units of dried blood plasma for use in transfusions, continues to urge all county residents to donate a pint of blood each to the bank.

Daly City citizens have been asked to help the cause by donating their blood. Appointment for a blood test can be made by calling the local blood bank chairman, Mrs. Catherine Foreman, 35 Woodrow street, Randolph 10376.

"Sergeant York" Returns To D. C.

When Warner Bros.' "Sergeant York" played at the Daly City theatre some time ago, capacity crowds filled the theatre at every performance. Many had to be turned away. Many wanted to see it for a second time but couldn't. Now all those people and many more will get a chance to see it for the management of the Daly City theatre announces that "Sergeant York" returns by popular demand.

This current attraction, besides a story packed with excitement, romance and pathos, offers a splendid cast. Gary Cooper plays the starring role—the easy-going, sharp-shooting Alvin C. York, who takes a while to think things out, but once he makes up his mind, there's no stopping him. Cooper was given the Academy Award as the pretty, clever and slightly for this role. Joan Leslie is cast as a pretty, clever and slightly whimsical mountain girl with whom York falls in love and later marries. Walter Brennan plays the part of Pastor Pile, the one person who understands York.

"Sergeant York" was directed by Howard Hawks.

ger to the "hardwood", having garnered years of experience on them. He should be ready for a good series score.

Hugh Smith jr., another former Lions bowler, will be rolling for the city team. Smith was released by the Lions, according to their coach.

Because of the secrecy of the drills, the council's coach has never been made public, but it is alleged that Johnny Dell, originator of the Dell System and head of last year's champion Universal Press team, is tutoring them.

Although the Lions coach, Dick Crane, is a Stanfordite, the T formation will not be used, it was announced. The Lions are foregoing the T for one part of the Rockne system, namely, the policy of starting their shock troops. Coach Crane's shock troops, who will probably start are: Dr. Ivan Budaeff, Al Pulley, Jimmy Schultz Dr. Bill Lantheaume, and Larry Comer. This lineup is subject to revision. This quintet of shock troops are one of the most feared groups in the current Daly City bowling league—especially by the pin-setters!

SPEED A TANK to the fighting front!

Telephone calls play a vital part in building tanks, guns, ships, planes. They help to move millions of men to the fighting fronts. War is on the wires. There must be no blocking of these war calls.

We cannot build new lines to carry them because copper, nickel and rubber are shooting, not talking, materials right now.

What we can do is to make the most of what we have. You can help by making Long Distance calls only when they are really necessary. And on these, please be as brief as you can.

The call you save today may speed a plane or a tank to the fighting front.

Your co-operation is deeply appreciated.

PENSIONERS BACK WARREN'S OLD AGE PLAN

Candidate Given Credit For Liberalization of Present State Pension Allowance

Says Pension Is a "Matter of Right," Earned During Productive Years

"Earl Warren, candidate for Governor, has done more in a few months to secure for California pensioners a liberal interpretation of regulations affecting 'outside income' than any other person." . . . "He should be elected Governor, and thousands of California's 'Elder Citizens' are going to see that he is elected" . . . "In every city and town in the State old people are among his chief supporters, and are earnestly working to place him at the head of the State government."

These are the statements of hundreds of Pension recipients who declare that it was largely through Earl Warren's efforts that the California regulations on earnings allowed pensioners were liberalized.

"There has been too much politics and not enough action," Warren says, adding:

"I believe in an old age pension as a matter of right—as something we earn in our productive years by our contributions to the upbuilding of the community. If I am elected Governor of California, I shall see that that principle is embodied in our pension laws."

USE BLOCK METHOD TO COLLECT TIN

Boosting Daly City's tin salvage by block organization, grammar school children of this community sent a ton and a half of tin cans to the detinning plant in South San Francisco for the weekly collection, accerding to R. L. Crane jr., local salvage chairman.

Every block in the community is being covered by school children from the Jefferson Elementary School district, and Crane asked all housewives to meet the enthusiasm of the young tin salvagers by donating every used tin can in the kitchen.

Crocker school has organized a unique method of seeing that all tin cans are collected by their "Ship of Tin." They have a navy all their own and the pupils in the school are given a navy rating with captains and admirals collecting tin in every block of their territory.

Here are the names of the officers according to blocks in the Crocker district: Admiral Robert Gardella, Whittier between Hanover and Brunswick streets; Captain Jack Watso, Irvington between Templeton and Acton street; Captain Esther Romani, Irvington between Evergreen and Crocker avenue; Admiral Leonard Nordgren, Roosevelt between Winchester street and Bellevue avenue; Captain Alberta Kingsland, Acton between Risel street and Bellevue avenue; Captain Kenneth Sanquinetti, Acton between Hanover and Risel streets; Captain Cristobell Halcomb, Acton between Brunswick and Winchester streets; Admiral John Vaughn, Mission street between Evergreen and Wellington avenues; Admiral Charles DeMartini, Mission between Evergreen and Templeton avenues; Admiral Marie Smollen, Mission between Crocker and Evergreen avenues; Captain Eleanor Quickert, Peoria street between Roosevelt and Templeton; Admiral Leonard Nordgren, Peoria between Evergreen and Roosevelt; Captain Bill Quickert, Peoria between Templeton and Roosevelt; Captain Fred Bricker, from Peoria down Crocker; Captains Clarence Haller and Bill Marshall, Templeton between Winchester and Brunswick; Captains Eddie Milano and Betty Chieli, Templeton between Hanover and Winchester; Captain Lilly Templin, Templeton between Hanover and Bellevue; Admiral James Rason; Captain James Franklin, Templeton between Alexander and Bellevue; Captain Edward Raffo, Templeton between Hanover and Peoria; Captain James Fillipo, Templeton between Irvington and Mission; Captain Richard Ryan and Alma Becker, Templeton between Roosevelt and Alexander;

Captain Frank Heiss, Brunswick between Acton and Templeton; Captain Gloria Piacenti, Brunswick between Oliver and Acton; Captain Taisto Petham, Brunswick between Crocker and Wellington; Captain Esther Hukari, Brunswick between Evergreen and Crocker; Captains Robert Dallas and Dale Blaisdale, Rice between Mission and San Jose avenue; Captain Janet Wuff, Evergreen between Brunswick and Mission; Captain Gladys Dillion, Evergreen between Bellevue and Peoria; Captain Dolores Wakefield, Evergr en betwen Hanover and Peoria; Admiral Richard Gardell, Oliver down Brunswick; Admiral Monte Robinson, Oliver between Hanover and Brunswick; Captain Bonnie Jean McHugh, Oliver between Hanover and Risel; Captain Geraldine Pike, Frankfort down Winchester; Captain Howard Hefferon, Frankfort between Lowell and Templeton; Captain Edward Cyr, Winchester between Oliver and Acton; Captain Bob Anderson, Winchester between Roosevelt and Evergreen; Captains Betty Preston and Andrew Baroni, Winchester between Evergreen and Crocker; Captain June Peterson, Hanover between Acton and Oliver; Captain Gerald Kerby, Hanover between Roosevelt and Templeton; Patsy Snee, Hanover between Roosevelt and Evergreen; Admiral Barbara McGovern, Hanover between Whittier and Lowell; Captains Clarence Lack and Richard Vers, Hanover between Evergreen and Templeton; Captain John Murzi, Hanover between Crocker and Wellington; Captains Harvey Anderson and Barbara March, corner of Wellington and Crocker; Captain Marvel Ramsey, Partridge lane between Hanover and Bellevue; Admiral Elaine Thauberger, Wilson between Mission and San Jose; Admiral John Wimbly, Burmiss Terrace; Admiral Bill Pape, Huron between Oliver and Sickles; Captain Alma Pieretti, Bellevue between Evergreen and Crocker; Captain June Brandt, Templeton and Roosevelt, Acton and Templeton; Admiral Russel Bauer, Bellevue, Oliver and Partridge lane; Captain Esther Myers, Bellevue between Evergreen and Crocker; Admiral Sherwell Short, Bellevue between Guttenberg and Lowell; Admiral Beverly Appleton, Bellevue between Oliver and Acton; Admiral Irwin Shelmadine, Bellevue between Sadowa and Montana; and Captain Gene Borella, Lowell between Bellevue and Hanover.

Tin collectors in other school district territories in Daly City will be announced in next week's publication of The Record.

CHRISTMAS SEALS AVAILABLE NOW

The San Mateo County Tuberculosis and Health association announced today that families and friends of service men can secure Christmas Seals for Christmas mail to members of the armed forces out of Continental United States.

A postal card sent to the agency at 115 South Ellsworth avenue, San Mateo, or a phone call to San Mateo 3-6274, will bring any amount of seals requested.

ENLIST
THIS CAR IN YOUR WARTIME SERVICE

If you Really Need a Car, you can— and should—get a New One NOW!

This car wants a wartime job!

It's ready and eager to get out helping someone do his part in the war effort – you'll be doing your country a patriotic service if you'll put it to work at a really needful job, instead of letting it stand idly by.

A brand-new, unused, 1942 model *built before automobile production ceased* – this car is safer, more dependable and, in many cases, *more economical to run* than older models.

Thus if you are included in any of the seven major classifications of eligible buyers, you not only *can* but *should* replace your present car with a new one now.

You will ride on tires with their whole life before them. In this car, you'll travel behind a Buick FIREBALL valve-in-head straight-eight engine that makes the most of every single drop of fuel and oil.

Even the wheels in this Buick help get maximum mileage from tires!

The panel lists the kinds of car-owners who are eligible to buy new cars now. If you are included, see your Buick dealer *now*.

Buick *factories* have been all-out on war production for months – but Buick *dealers* can make immediate deliveries from large and complete stocks.

IF YOU ARE INCLUDED IN THIS LIST, YOU'RE ELIGIBLE TO BUY

There are seven major classifications for persons eligible to buy new cars under basic rationing rules.

These include: (1) persons engaged in the production of war materials or the prosecution of the war, directly or indirectly; (2) physicians, nurses, clergymen, veterinarians; (3) car-owners engaged in public service, such as fire departments, public health, highway maintenance, etc.; (4) owners of taxicabs and other means of transportation; (5) farmers; (6) newspaper wholesalers; and (7) traveling salesmen in certain fields.

Don't guess about your eligibility — see your Buick dealer now and make sure.

Greyhound
SCHEDULES CHANGED

The Office of Defense Transportation has ordered bus companies to reduce operating speed to 35 miles per hour—we are complying with this order.

This requires thousands of changes in arrival and departure times for hundreds of cities and towns. New timetables must be prepared and printed, but due to the great amount of work involved there will be some slight delay in the issuance of new schedule folders.

Please consult your local Greyhound agent for information on schedules.

Institute To Have Hallowe'en Party

Ghosts and goblins have no effect on the Emydian Institute No. 154, Y. L. I. of Colma. The usual second meeting of the month has been extended from the fourth to the fifth Friday to enable the organization to play hostess to Alberian Institute No. 93 of San Francisco and to Angela Institute No. 90 of San Bruno at a Hallowe'en social, October 30.

The committee has prepared a very interesting program, and an enjoyable evening is assured all who attend. Games and refreshments will follow the business meeting. All members having birthdays in October will be honored. They are: Louise Olcese, Mary Belli, Rena Guisti, Lenore Varni, and Victorine Kappeler.

Miss Norma Bertetta is in charge of the affair. She will be assisted by Imelda Laramie, Rosemary Flanagan, Mary Belli, Angie Varni, Clara Corradetti, Raye Grondona, Mae Varni, Velma Lompa, Inez Micheli and Lenore Varni.

At the institute's last regular meeting, it was announced that a whist party will be held in the first part of November. The public will be invited. Co-chairmen for the whist are Mrs. Raye Grondona and Clara Corradette.

Members are again reminded that cakes are urgently needed for the cake booth at the Parish's Fair, Saturday.

Officers of the Institute met at the home of Lenore Varni, president, October 5. Future plans were discussed and the women decided to strive for a more extensive program during the winter months.

or A. J. Gaggero, Councilman Edmund Cavagnaro, and Councilman Eugene Lynch also helped throw the scrap on trucks.

Water heaters, tanks, and old beds represented a large part of the junk collected in Daly City. Large pieces of mechanized farm equipment from farms in Colma have contributed greatly to the national shortage of steel.

Although the army took over scrap collections in San Francisco, Crane said that no indication of it is in sight for Daly City.

each amusement will have its own booth. Since this is the first wartime festival to be held, and, consequently, the first under dimout restriction, the festival was moved inside this year to prevent outdoor lighting and conflict with army dimout rules. Former bazaars have been held on the school grounds of Our Lady of Perpetual Help school.

Besides carrying out the American tradition of Hallowe'en, which falls on the Saturday of the bazaar, the committee has not allowed patriotism to be forgotten. A war savings stamp booth will be sponsored by the members of the church choir.

The general public is cordially invited to attend, and tickets may be purchased from committee members or by calling the parish house.

At Jefferson Union High School

Does anyone have any old keys? Don't throw them away, but give them to some high school student, for they will be one of the articles that will enable him to take his drag to the next dance at Jeff high.

The forthcoming "Liberty Swing", scheduled for November 20, is a defense dance. Every student, as well as the guests he invites, must buy a twenty-five cent defense stamp and bring an old key, before he will be admitted to the hop.

Norma Pedemonte, chairman of the dance committee, urges all alumni to turn out for this big affair, but reminds them that they must also meet the requirements; buy a stamp and bring a key.

One of the pictures on the bulletin board, last week, courtesy of the photography club, was a view of the A. W. V. S. jrs. in action. It showed Alice and Anna Crossland selling defense stamps to Delores Mardecich and Mary Sue Denton, while Marjorie Denton looked on.

This week, pictures on the board depicted last week's football game, which incidentally is still causing pul-lenty of talk. You know, of course, that Jeff knocked off Burlingame to the tune of 7-0. One action shot was taken late in the third quarter when Jeff's Freeman passed a beauty over the heads of two tall Burlingamers. The ball was taken by Steele who was away like a flash and crossed the goal line untouched. Another picture shows how the extra point was obtained when Faulk passed to Steele from a place-kick formation.

Thirty boys and girls turned out, last Thursday, after school for the first session of a special Red Cross life saving course given by Miss Ella Redkey, physical education instructor. Four students out of the group are from Lincoln high school.

Saturday morning, girls from Jeff will journey to Burlingame high school where they have been invited to participate in a hockey playday.

The physical education department announces that there is free swimming for students every Friday after school. If a student so desires, he may obtain instruction. The girls have been turning out in full force, but as yet the boys are not too well represented. What's the matter, fellas? Does the water scare you?

Mrs. Marjorie Reandeau, typing instructor, stated that recently there has been a large enrollment of people in night school who are brushing up on comptometer and Monroe machine calculating work. Also, some adults are now beginning work on Christmas cards. These cards, which decidedly show originality, are very economical. The only cost is for the material.

Because of the scarcity of metal, Stanley Martin, industrial arts instructor, has been forced to alter his night school course to one of General Arts. Since silver is on priority now and other metals are difficult to get, metal making has taken a backseat while woodwork, pottery, weaving, and textile printing have jumped to the fore.

The course, still open to adults, is given every Tuesday and Thursday evening 7-9 p. m. in the metal shop at the high school. Martin has displayed many of the articles he has made. They include pottery plates, enameled boxes, brass and glass coiled bookends, forged sterling tableware, sterling bracelets, silver and enamel necklaces, all silver rings, and polished stone rings.

members. A running mate of Earl Warren, candidate for governor, Houser was a charter member and leader in the bipartisan economy bloc in the state legislature. Through his determination as a member of this bloc, Houser was credited with saving the taxpayers of California some $200,000,000 enabling them to enjoy a financial surplus.

Houser's past record shows an account of brilliant service to the people of this state, having served three terms in the state legislature. He taught government at Harvard university and served as president of the Alumni Association of the University of California at Los Angeles. He is a native Californian, the son of the late Supreme Court Justice Frederick W. Houser.

"Let's win with Warren and Houser!" is the campaign slogan of Houser's drive for the November election.

Auxiliary Police To Aid With Patrol

(Continued from Page 1)

sections of Daly City's main thoroughfare will be patrolled under the direction of Officers Henry Sundermann jr., Ed Heim, and Joseph Kusber. Officer George Hopman supervises patrol duty on Hillside boulevard, and Officers Arthur Dalton and Roland A. Petrocchi are in charge on Junipero Serra boulevard.

However, the regular officers are only overseers to the duties of the auxiliary police officers. Only technical problems involving law enforcement in civilian defense will necessitate the intervention of regular officers.

Like other departments of civilian defense, the auxiliary officers will have their own captains and sergeants in each district. With the re-organization beginning this week, Chief Reardon announced that election of officers in all eight districts will probably be completed in the next two weeks. Each district has its own meetings, most of which take place twice a month.

Control Center To Practice Tonight

(Continued from Page 1)

cities have been holding drills for the high officials in the past few weeks, and Daly City's is scheduled to take place next week.

Twenty incidents, besides those made up by the army, will find every volunteer and every piece of equipment in action, Bodien said. Not even the local council will know what the army incidents will be like. Local incidents are being planned by Eugene Lynch, communications officer, and Howard McHugh, member of the Civilian Defense Council and control board officer.

Next week's drill will begin sharply at 7:30 p. m. and all incidents are supposed to be over in exactly one hour. At 8:30 p. m. a mass meeting of all civilian defense workers will begin in the auditorium at Jefferson Union high school. Here army officers and OCD authorities will point out mistakes made and how they can be corrected. The discussion will last for 45 minutes, after which the local council and the control center personnel will be subjects of constructive criticism from the army. This last discussion is expected to begin at 9:30 p. m.

DIMOUT

(Continued from Page 1)

essary for Daly City store proprietors to control the lighting inside the building. Proprietors are obliged to shade interior lighting so as to direct the glare toward the rear of the building rather than the street. No lighting will be permitted to reflect rays out of doors above the level of the light. Another suggestion which Bodien made was to shade the windows over the entire front.

The provision regarding the illumination of outdoor areas is already in force in Daly City, according to Bodien. All outdoor lighting in service stations has been extinguished. The athletic plant at Jefferson Union high school has been prepared so that no light can escape. Skylights over the swimming pool and gymnasium have been painted black, and all windows there have been shaded properly.

Street lights in Daly City, also falling under the army's new rules, will be prepared by the Pacific Gas and Electric company here, as in other cities in their district, Bodien said. Although all other lighting will go into effect, Sunday, the time of enforcement for street and highway lights was extended to Thursday, November 12. Under the original dimout rules, street lights had to be shielded on the seaward side where they were visible from the sea. New rules make it necessary for all street lights to be shielded, not only on the seaward side, but also on top of the globe. The P. G. and E. also informed Bodien that the lights will be shaded where it reflects against a white building.

Neither of Daly City's two traffic signals will be effected by the new rules since both are hooded, and, anyway, they are put out at dusk.

With respect to the provision termed "other illumination", Bodien was especially emphatic that all burning of weeds in Daly City be done in the daytime, and that everyone refrain from building bonfires at night.

In defining the phrase, "visible from the sea", the provision explained the meaning to include "that portion of streets or highways which may not in fact be visible from the sea but which is in areas generally visible from the sea". This provision means that ALL of Daly City is virtually visible from the sea, which, in turn, means that all lighting is to be put out or shielded in Daly City before Sunday. Penalty is exclusion from the Western Defense command. In addition, a city ordinance is now before the city council, calling for a penalty of 300 fine or 90 days imprisonment, or both.

a room messenger and an elternate for each clas period. The room messengers will carry all messages from his group to the office; no mesage will be carried to any other place.

Upon hearing the air raid signal, three long rings of the school bells repeated, the fire, police, first aid and rescue squads will report immediately at their designated posts.

After an air raid signal has been sounded, students in the main building will adjourn to the halls and stand under the green tape which marks the safe areas. All students must remain in the safe areas until the all clear signal, one long continuous ring of the school bells, is sounded.

All instructors must stay with their respective groups. Messengers from the group will carry all communications between them and the office.

Students must remain in school during the air raids, except those who have a civilian defense position with Daly City and have a statement signed by their parents requesting that they be excused to report for duty.

If an air raid occurs during a regular assembly period, all students will go to their seventh period room and from there to safety zones under the leadership of room captains. If an air raid occurs during either lunch period, all lunch pupils will go to their sixth period class rooms and from there to safety zones.

places, high schools will be used, while grammar schools will be signup locations in other communities. When the applicant for gasoline rationing brings his filled application to the schools, the information will be recorded and he will be issued a basic coupon book which entitles him to purchase four gallons of gasoline a week. A separate application should be filled out for each vehicle. Three types of rationing books will be used by the board, designated as A, B, and C, and classified as follows:

A—This is the basic coupon book and enables the motorist to purchase four gallons per week. It is issued to every automobile.

B—This book is issued only to those motorists who can prove to the rationing boaord that they use their cars for transportation to their work, and is issued only with the provision that the work in which they are engaged is pertinent and essential to the war effort. Enough gasoline for this use will be allowed.

C—This book will allow more extensive use of gasoline, but is issued only to key persons vitally engaged in the war effort.

Burlingame off their guard when the ball was snapped to Borg, Jeff passer. When he reversed the ball to Freeman, the Panther defense rushed in to cover a ground play, leaving Steele wide open for Freeman's pass. Steele raced the remaining 30 yards to pay dirt. Another pass was good for the extra point.

Another "smoothie" Coach South pulled on the Panthers was the use of the single wingback throughout the game. A Rose Bowl player under the famed T formation at Stanford, South was supposed to be a dyed-in-th-wool "T-man", and Burlingame planned their defense accordingly. The single wing left them helpless for the first quarter.

A scoring threat by the home team in the closing minutes was checked by the Jeffs when the Panthers stopped throwing passes. Jefferson's line held and took the ball on downs. Jack Faulk, Jefferson's 200 pound captain played a standout game at tackle, while Bill Freeman starred in the Jeff backfield, as did the freshman prospect, Tulio Picchi. However, the entire Indian team played a fine game.

Jefferson turns attention to their home game, tomorrow afternoon, at Jefferson field against the St. Mary's high school, of Berkeley, a heavy and fast team with only one loss so far this season. Kickoff is set for 3:30 p. m., tomorrow.

YES ON 6

LET'S BE FAIR - - -

Nearly 8000 FAIR MINDED MEN AND WOMEN signed the initiative petition which placed on the November 3 ballot PROPOSITION NO. 6, the Civil Service Amendment.

The signers of that petition were a cross section of San Mateo County's electorate. They came from the ranks of businessmen, county officials, commuters, laboring men, housewives, members of civic clubs and tax saving organizations.

They realized that our county employees are now working under the OBSOLETE PATRONAGE SYSTEM and that such a system must be completely eliminated from our county government and replaced with a MERIT SYSTEM. Civil Service provided that MERIT SYSTEM.

You, as a taxpayer and a voter, will feel as did those nearly 8000 petition signers when you realize that:

No matter how efficient or faithful a county employee in your county system may be, he or she CAN BE DISMISSED WITHOUT CAUSE OR REASON AND WITHOUT A HEARING.

When old age makes further employment in county service prohibitive, the county employee is TURNED OUT WITHOUT THE COMMON STATE AND FEDERAL BENEFITS ENJOYED BY MOST PERSONS IN PRIVATE INDUSTRY.

BECAUSE THEY ARE PUBLIC EMPLOYEES . . . OUR COUNT EMPLOYEES DO NOT BENEFIT FROM SOCIAL SECURITY OR UNEMPLOYMENT INSURANCE.

Several of OUR OWN SAN MATEO COUNTY CITIES HAVE ADOPTED CIVIL SERVICE FOR THEIR EMPLOYEES.

Adoption by the voters of PROPOSITION NO. 6 would eliminate our present patronage system and stabilize county government.

Adoption of this Merit System means that so long as the county employee is giving the taxpayer EFFICIENCY ON THE JOB, he or she will remain on the job.

Should there be cause for demotion, suspension or dismissal an employee has the right to a hearing in such a case before A NON-POLITICAL CIVIL SERVICE COMMISSION.

A retirement system is provided for county employees which becomes effective one year following adoption of the measure.

Applicants seeking county employment subsequent to the adoption of the amendment must qualify first in examinations conducted by the State Personnel Board.

This proposition DOES NOT include elective county officials.

In conclusion let it be said in behalf of the San Mateo County Employees that they are ONLY ASKING FOR WHAT IS FAIR—A CHANCE TO SERVE YOU, THEIR TAXPAYER EMPLOYERS, UNDER A MERIT SYSTEM WHICH WILL DEFINITELY STABILIZE COUNTY GOVERNMENT AND GIVE YOU MORE FOR YOUR TAX DOLLAR.

Let's be FAIR TO OUR EMPLOYEES BY VOTING FOR PROPOSITION NO. 6, THE CIVIL SERVICE AMENDMENT.

Felix Chapman was presented with a 25 year membership button and certificate at the last meeting of Daly City Post No. 410, American Legion. It was announced at the meeting that the organization had obtained 70 per cent of the 1943 membership to date.

Goal of the group is to reach the 100 per cent mark by Armistice Day, according to a report by A. J. K. Jakobsen.

Marall Smith has been appointed general chairman of the post's monthly whist game. Date of the affair is set for Friday evening, October 30. Assisting Smith will be John Matzek, Jakobsen, and Henry Beffa.

The men announce that playing will begin at 8:30 p. m. sharp at Legion hall. A cash first prize will be given along with many other attractive awards.

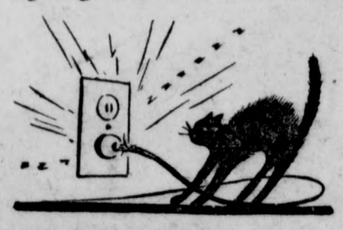
LADY—
YOU DOOD IT!

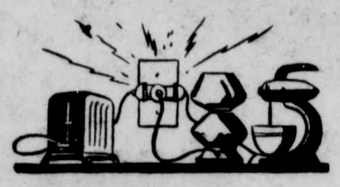
HERE IS WHY FUSES BLOWOUT AND WHAT TO DO ABOUT IT

It's maddening when a fuse blows out. When this happens, however, it is a warning that some appliance may have overloaded a circuit, or there may be a loose connection causing a "short." You can save time by replacing fuses yourself. It is easy to do this and you help us save tires on service cars that are needed to help maintain the delivery of power to war industries. Ask for your copy of P. G. and E. booklet "Guide to Gas and Electric Service" that tells what to do when the lights go out. It is available FREE at any company office.



TAKE CARE of plugs that start spittin' like a kitten. It is advance notice that a wire is about to burn through or a plug terminal is about to give way.

BEWARE of jerking appliances about by the cord. This loosens terminal connections and causes short circuits and blowouts.



BEWARE of using too many appliances at one time on a branch circuit. This overloads circuits and causes blowouts.

TAKE CARE to have a supply of fuses of the right size on hand. 15 ampere fuses (not 20 or 30 amperes) are right for lighting circuits.

Buy a supply of fuses from your dealer today.

Delight your family with these recipes for home-baked rolls

War times have revived interest in good plain cooking, and homemakers are beginning to do more of their own baking. There's nothing like the fragrant aroma of fresh homemade bread or rolls baking in the oven to quicken already hearty fall appetites. And really, making your own rolls is easy, especially if you use the recipe for REFRIGERATOR ROLLS given below. These rolls have a decided advantage over most yeast breads, because the dough can be made several days in advance, then shaped and baked as you want. Simply cover the dough, in one mass and store in the refrigerator. About 1 hour before you want to serve rolls, take the dough from the refrigerator; let rise about 30 minutes; knead and shape into rolls; and bake another 30 minutes. That's all there is to it.

REFRIGERATOR ROLLS

7 cups all-purpose flour
2 cups milk
4 tbsps. sugar
4 tbsps. shortening
2 tsps. salt
1 cake fresh yeast

Sift flour and measure. Heat milk. Place sugar, shortening, and salt in large bowl; add hot milk; stir until shortening is melted; cool to lukewarm, about 15 minutes. Add crumbled yeast; mix well. Add flour; stir until dough leaves sides of bowl. Cover bowl with damp cloth; let rise in warm place until light and double in bulk, about 2 hours. Punch down. Place on lightly floured board; knead until dough is smooth. Mold into desired shapes. Place on greased baking pan. Cover with damp cloth. Let rise in warm place until double in bulk, about 30 minutes. Brush with glaze mixture of 1 part sugar and 2 parts milk. Bake in moderately hot oven (425° F.) 15 minutes, or until done. Makes about 3 dozen rolls.

To Store: Punch down dough after first rising. Cover tightly and place in refrigerator.

SHAPING THE ROLLS

You can shape rolls as you wish, making them dainty or man-sized. Keep in mind, however, that they'll double in size during the final rising. For soft rolls, place them almost touching each other on the baking pan. For crusty rolls, give each one space enough to double in size without crowding.

An Open Letter To An Anonymous Letter Writer

Well, pal, we suppose the world could not get along without your kind. Else who would we have for Horrible Example No. 1?

Of all the lesser joys of publishing, none ranks so low as an anonymous letter in the morning mail. Not that we resent criticism, nor suggestion, nor even down-right nastiness. Specifically, we resent unsigned letters—no matter upon what subject they dwell. It distresses us (to say nothing of making our blood boil) to have such tangible evidence that some people are just too spineless to stand behind their opinions—good, bad or indifferent.

The letter which provoked this outburst wasn't even objectionable—except for the lack of a signature. But this is as good a time as any to publicly state policy on anonymous letters: if you don't respect your criticism enough to sign it, please don't waste postage and paper mailing it to us.

We are always happy to cooperate with any individual or organization to the best of our ability; we are always happy to have news leads; we are even happy to receive your criticism—as long as you do us (and yourself) the courtesy of adding your signature.

Troop 101 To Be Host At Nov. Court

Daly City Boy Scout Troop No. 101 will be host troop at the sectional Court of Honor to be held in November. Frank Coughlin, scoutmaster, today invited all other local scout troops to participate in the affair.

Merit badges, star and life awards will be given out at this time. Further information as to the date and time of the huge affair will be announced later.

It was recently announced, by Coughlin, that the three boys leading in the annual troop attendance and all around scouting contest are Jack Ferro, Fred Zgraggen and Bob Coughlin. The contest will be terminated around Christmas. The three awards, gold, silver, bronze medals, will be awarded at a Christmas party.

The local troop will be in charge of a booth at the annual fall carnival sponsored by Our Lady of Perpetual Help church, October 30, 31 and November 1.

Troop 101 has started a new division of scouting called "Air scouting".

"This trains the boys in all the fundamentals of ground work of aviation," announced Coughlin.

Monthly committee meeting of Troop 101 will be held at the home of Joe Rogers, 183 Goethe street, tomorrow evening at 7:30 p. m. All members are urged to be present as further plans for the sectional Court of Honor are to be discussed.

Woodrow PTA Plan Big Luncheon Whist

Mrs. Ida Hanley, president of Woodrow Wilson P. T. A., today announced that plans for the biggest luncheon whist of the year are under way. The whist and luncheon have been scheduled for Thursday, October 29.

Luncheon will be served at 12 noon at the home of Mrs. Hanley, 43 Woodrow street. Members of the executive board will assist with the arrangements. They have issued a cordial invitation for all whist players to attend. A nominal charge will be made, with proceeds going for child welfare.

Mrs. Florence Hopman, Gambetta street, will be hostess to the sewing group, this afternoon. The ladies are to meet at 1:30 p. m. and a dessert luncheon will be served by the hostess.

All ladies are urged to attend as the final arrangements for their whist will be made at that time.

Officers and members of the local group participated in the annual Father's Night, Tuesday evening. All local P. T. A.'s were present at Jefferson Union high school for the celebration.

Marriage Licenses Issued To Local People

Another triumph for the "li'l man with the bow and arrow": Marriage licenses were issued, last Thursday, in San Mateo county to **William E. Cox**, 39, and **Lillian I. McCarver**, 26, both of Colma, and to **Robert C. Tucker**, 21 Redondo Beach, and **Dorothy Young**, 18, Daly City.

Mothers Club Schedule Afternoon Whist Party

Mrs. Elsie Thomson has been named chairlady of the regular monthly whist of the Mothers club of Our Lady of Perpetual Help school, scheduled for tomorrow afternoon, October 23. Assisting Mrs. Thomson will be all ladies whose initials begin with U, V, W, X, Y, and Z.

Playing will begin at 2 p. m. at Masonic hall. The committee announces that many lovely prizes have been procured for the event, along with a cash first award.

Regular meeting of the sewing group will be Wednesday morning at 10:30 a. m., at 249 Los Banos avenue. All mothers are urged to be present.

Miss Claire Hansen Weds At Home Rites

Richard Thomas Simodynes, U. S. N. R., claimed Miss Claire Hansen as his bride, October 16, at a ceremony performed at the home of her parents, Mr. and Mrs. August Hansen, Daly City. The rites were conducted by Com. H. M. Peterson, U. S. N. Chaplain.

The bride wore a tan suit with a corsage of white orchids.

Mrs. Gene Meyer was matron of honor and Allan E. Emerson, U. S. N. R., was best man. A reception followed the ceremony.

Fete David Gaggero At Farewell Dinner

Mr. and Mrs. Sabastain Gaggero, 25 Alemany street, Colma, were hosts at a dinner party, Sunday, for their son, David Gaggero, who is leaving this week for service with the country's armed forces.

Guests were Mayor and Mrs. A. J. Gaggero and their children, Robert and Elaine; Mrs. Delshina Gaggero and her son, Nathan; Mr. and Mrs. Tillio Olcese (Mrs. Olcese is the former Marie Gaggero), and Antonio Delsino.

Joseph Tosca Succumbs To Illness

Joseph Tosca, Daly City truck farmer, died, last Wednesday, October 14, in a San Mateo hospital. He was 53, a native of Italy, and had been under hospital care since September 8.

Tosca, who lived at 1801 Junipero Serra boulevard, leaves no relatives, hospital authorities said. Valente, Marini and Perata, funeral directors of San Francisco, were in charge of arrangements.

Do You Have Trouble With "Shall And Will?"

If "shall and will", "can and may", "lie and lay" are your stumbling blocks in the way of correct English, here is a chance to rid yourself of them.

The University of California Extension Division now offers a course in the rules of grammar applied to everyday problems of speech. Principles of punctuation, abbreviation and business terms, vocabulary practice, usage and meaning of words commonly confused and misused, are explained.

The course starts in San Francisco, at 540 Powell street, Wednesday, October 28, at 7 p. m.

Grace Church Seeks Record For Attendance

The Grace Church of the Nazarene in Daly City is deadlocked with the East Oakland Nazarene church in an attendance contest which has been in full swing for the past four Sundays. Both churches have won twice in church attendance.

Reverend N. M. Lewis, pastor of the Daly City church, announced that the contest will culminate, this Sunday. Reverend Lewis said that the local Sunday school, entered in the Red and Blue contest, will rally Sunday and expects to have the largest attendance in the history of the church.

The public is cordially invited to attend the services. A special program is being arranged by Neil Edwards, superintendent, and Arthur Croy, assistant superintendent.

RE-ELECT

Attorney W. H.

CLAY

JUSTICE OF THE PEACE

First Township

Judge W. H. Clay has a Distinguished Record of Faithful Service, Honest and Efficient as Justice of the Peace.

Judge W. H. Clay, Justice of the Peace of the First Township of San Mateo County, has striven constantly to aid and foster civic betterment and growth of the community.

Judge Clay's important positions require a man of keen cool judgment and unswerving integrity. He has amply proven that he meets these qualifications and is certain that his record will continue on the same high plane, and therefore he merits continued support.

Judge Clay, a quiet and unassuming man, deserves the support of all of the good people of the First Township.

Even on holidays we must not forget "nutrition" — one of the most significant words in our language today. On Halloween, serve your usual "frills" and "fancies" but see to it that your menu as a whole supplies the necessary fuel, vitamins and minerals needed in these strenuous times. The following suggestions should intrigue you:

The recipe calendar for October says "Vitamin-rich fruit juices make ideal party beverages." Try frozen squares of canned unsweetened Hawaiian pineapple juice, which is a good source of those important vitamins B_1 and C, in tall glasses of well-chilled sweet apple juice. It's a new taste thrill that's hard to beat. Serve it on Halloween with fat brown doughnuts made from enriched white flour and squares of mild or sharp yellow cheese."

Luncheon Salad
(Serves 6)

2 cups cold cubed veal
1 cup cut celery
3 oranges, segmented
½ cup toasted almonds
Lemon French dressing
Lettuce or endive

Cut cold veal and celery into even pieces the size of a small bite. Peel oranges and segment. Place in large bowl, add dressing and blend with two forks. Allow to marinate for a time, then place in salad bowl lined with greens. Sprinkle toasted almonds over the top. Serve liberally as main luncheon dish.

Basta Fazoul

2 cups cooked, dried Limas
2 cups tomato sauce or strained tomatoes
1 tablespoon chopped onion
½ pound spaghetti
6 tablespoons bacon fat
1 teaspoon salt
⅛ teaspoon pepper

Cook the spaghetti in boiling salted water until soft and drain. Cook the onion in the fat, add tomato, Limas and spaghetti.

Ice Cream Sandwich with Peaches

Use eight 1½ inch wedges of sponge cake, allowing two for each serving. Place a slice of brick vanilla ice cream on one wedge and cover with the second, turning so that the narrow end is above wide end of bottom cake wedge. Top with quick-frozen sliced peaches, just thawed, using 1 box. Serves 4.

Quick-frozen peaches will thaw in about six hours in the refrigerator. If you want to hurry up the thawing process, take the bag of fruit from the carton and thaw at room temperature in the sealed bag. Remember, when you buy quick-frozen peaches that there's no waste. All sorting was done before preparation for quick-freezing, and each golden segment is perfect.

Witches' Party Brew

2 squares unsweetened chocolate
1 cup strong decaffeinated coffee
3 tablespoons sugar
Dash of salt
3 cups milk

Add chocolate to coffee in top of double boiler, and place over low flame, stirring until chocolate is melted and blended. Add sugar and salt, and boil 4 minutes, stirring constantly. Place over boiling water. Add milk gradually, stirring constantly, then heat. When hot beat with rotary egg beater until light and frothy. Top each cup with whipped cream, if desired.

It's considerate to serve a decaffeinated brew when you give a party so that you and your guests can indulge without worry over sleeping problems.

Are you entitled to wear a "target" lapel button? You are if you are investing at least ten percent of your income in War Bonds every pay day. It's your badge of patriotism.
